Ben Luckinbill Supposedly 100 of the chief's CSF buddies showed up to the city council meeting where they suspended him, all carrying AR-15s. Not quite "miltia takes over town", but pretty freaky. Side note: they are seeking submissions for The Girls Of CSF Calendar.

Angels Proclaim

The fact that a deaf person can not hear is not a confirmation that there are no melodies. If a blind man can not see, it does not prove that there is no color. However, just because the man is blind and deaf, and even spiritually dead, there would be a God?
